

**GOOD NEIGHBORHOOD COMMITTEE  
MEETING MINUTES**

**Thursday, October 29, 2009  
6:00PM – 8:30PM**

**City Hall W118-120**

**Present:**

**Absent:**

**Staff:** Kip Harkness, Lee Wilcox, Jim Ortbal, Manuel Pineda, Ben Tripousis, Dave Mitchell, Dennis Korabiak.

- I. Welcome and Introduction  
Mr. Harkness reviewed the meeting agenda. Committee members and staff introduced themselves and their affiliation.
- II. Diridon Station Area Update  
Mr. Harkness and Mr. Wilcox gave a brief description of the meeting and the schedule for 2010 meetings. Staff updated the Committee that the City and Agency will be producing a “focused EIR” that will address issues related changes in the original EIR.
- III. Parking and Traffic Management  
Hans Larsen, Director of Department of Transportation started staff presentation on the overall parking and traffic issue related to Diridon. Jim Ortbal, Assistant Director of the Department of Transportation reviewed the current Transportation and Parking Management Plan (TPMP) that was adopted in 1993 and the strategies associated with the plan. In addition, Mr. Ortbal review “Best Practices” research conducted in 7 locations that meet a similar demand that Diridon Station potentially could face. Staff also reviewed the Diridon Master Plan Study and the process to be involved.
- IV. Diridon Station Area Framework for Implementation  
Mr. Harkness reviewed with the Committee the work product that will be delivered to the City Council and how the Committee will work to prioritize recommendations.
- V. Public Comment
- VI. Housekeeping and Closure  
Mr. Harness reviewed the schedule for 2010.

Mr. Harkness thanked everyone for coming and reminded committee about upcoming meetings.

The meeting was adjourned at 8:18PM.
