Subject: Good Neighbor Committee Email Update #1

Greetings,

As you may know, the Mayor and City Council have directed the formation of a Diridon Station Area Good Neighbor Committee. You are receiving this email as either a potential member of the Good Neighbor Committee or a stakeholder in the Diridon Area. The purpose of this committee is to provide a forum to work collaboratively in addressing the problems and opportunities that arise from developments in the Diridon Area, including a potential Major League Ballpark.

If you are interested in being actively involved in this process please take the following two actions:

- 1) Save the evening of Wednesday, June 10 from 6-8:30 pm for the initial meeting of the Good Neighbor Committee, and
- 2) *Confirm you or your organization's representation* on the Committee by replying to this email.

Save the Date

The initial meeting of the Diridon Station Area Good Neighbor Committee will take place at City Hall, in the wing Room 118+119 on Wednesday, June 10, 2009 beginning promptly at 6pm and ending at 8:30 pm. Dinner will be served during the meeting for Committee members, beverages will be provided for the general public. The Good Neighbor Committee will meet intensely over June, July and into August, for a total of up to eight (8) meetings between now and mid-August.

Confirm Your Representation

Unless specifically listed by name on the membership list (see below), each organization is expected to have their board designate a representative for this process. Please have your board make that selection as soon as possible prior to the initial meeting, and please email me to confirm your representation. The representative your organization selects will be responsible for acting as liaison between the organization and the committee and should, ideally, be able to attend ALL meetings over the course of the summer. Your organization may choose to appoint an alternate as well, but please keep in mind that continuity is critical, therefore any alternates should be prepared to attend ALL meetings, so that they are able to effectively represent your organization.

An agenda for the first meeting and a tentative meeting schedule will be emailed to you next week.

You can also find additional information on our website at:

http://www.sjredevelopment.org/ballpark.htm

In the meantime if you have any questions or concerns regarding community participation in the Diridon Station Area please contact me, Kip Harkness, directly at (408) 535-8501 or email me at kip.harkness@sanjoseca.gov.

Please see below the list of Diridon Station Area Good Neighbor Committee membership as approved by the Mayor and City Council.
