## San Jose Bioscience Incubator and Innovation Center

The San Jose Redevelopment Agency is proud to announce the official opening of the **San Jose Bioscience Incubator and Innovation Center**.

The incubator is located in the **Edenvale Technology Park** in South San Jose, and is easily accessible from Hwy 101 and Rte 85. Edenvale comprises **2,312 acres**, with **13 million square feet of R&D, office, and manufacturing space**. Over 300 driving industry companies including Stryker Endoscopy, Innovative Robotics, Power Integration, Clinimetrics, IBM, Symbol Technologies, Celestica, Lynux Works, Intel, Ionics, Hitachi, Solectron, Electroglas, Northrop Grumman, M/A-Com Tyco Electronics, and Jabil Circuits operate in Edenvale and employ over 15,000 San Jose and Silicon Valley residents.

Edenvale is located **12 minutes** south of **Downtown San Jose**, **20 minutes** south of the **Mineta San Jose International Airport**, and within **30 minutes or less** from San Jose State University, Stanford University, Santa Clara University, UC Santa Cruz, and numerous research institutions and community colleges.

### Layout of Incubator

### Features & Amenities:

- ✓ 36,500 square feet
- ✓ 14 Wet Labs
- ✓ 7 Dry Labs
- ✓ 13 Offices
- ✓ 3 Tissue Culture Facilities
- ✓ 4 Conference/Meeting Rooms
- ✓ 1 Common Equipment Room
- ✓ Library, Data Room
- ✓ Kitchen, Break Rooms
- ✓ Reception
- ✓ Material Storage
- ✓ Shipping and Receiving

### Services and Equipment

#### Incubator Services

- ✓ On site Management Team
- ✓ Start-up Assistance Programs
- ✓ Bioscience Support Services
- ✓ Educational and Mentoring Programs
- ✓ Networking Opportunities
- ✓ Technology Transfer Services
- ✓ Commercialization Services
- ✓ Flexible, Affordable Space
- ✓ Business Resources
- ✓ Links to Investment Community

#### Equipment List

- ✓ Laminar Flow Hood
- ✓ Autoclave/Sterilizer
- ✓ Ice Machine
- ✓ Washer, Dryer and Dishwasher
- ✓ Milli-Q
- ✓ DI Central System
- ✓ Dry Ice Chest
- ✓ Centrifuge
- ✓ Incubator
- ✓ Local Area Network and T1 services

The San Jose Redevelopment Agency has invested \$6.5 million to design, construct, equip, and operate the incubator.

The incubator will house 20 bioscience entrepreneurs, scientists, and startup companies.

The San Jose State University Foundation and Bay Area Global Access Innovation Network (GAIN) will operate and manage the incubator.
